## Word collect game free download

By Tanya Watkins You can play games on your computer without spending a cent. Several websites are dedicated to offering computer games for free. Some of the games offered are trials before you buy, while others are completely free. Download-Free-Games.com offers many classic games for download. Family Feud, Monopoly, Scrabble, Bejeweled, Life and Risk are some of the games on offer. This site offers a variety of categories including card games, board games, kid games, puzzles, racing games, simulations, war and strategy games and word games. The site offers games are completely free or free trials of games you can buy. Free trials allow you to try out the game for a limited time or have some features locked. They require you to purchase the game to continue playing or unlock some features. No adware or spyware has been reported from the site, which offers more than 800 games. Net-Games.biz offers more games to download as well as online games, a player club and multiplayer games. The site's offerings of free games include action, arcade, racing and puzzles. It shows players with top scores, the 10 most popular games and IDs of new users. Yahoo! offers a huge variety of online games, which do not require downloads, for adults and children. Yahoo! also offers free games that can be downloaded to your computer - some of them free trials. Yahoo! offers sports and education games for kids. It also offers arcade, card and holiday games. If your child gets tired of games easily and is always looking to play something new, give Yahoo! a try. If your child loves everything Disney, consider the Disney site. Most of the games include Disney characters. They include Hannah Montana Rock as Beat, Tink's Fairy Tag, Bayou Adventure, Pixie Hollow and Zake and Luther's Donut Run. Sign up with a Disney account to access these favorites. (Pocket-lint) - Whether a game is good or not is often down to personal opinion, but we've made this list of amazing PC games we've had that you might as well. We've played and gone through a lot of games, so you've got to find something that fits. Whether you're looking for free Battle Royale, deeply captivating role-playing games or tactical shooters, we have a bit of everything. Here is our list of the best PC games you can get from a variety of platforms, presented in no particular order. Type: Free-to-play third person FPS / MMO / Battle RoyaleWhat makes it interesting? A battle royale with unique character abilities and morePublisher: Gaijin Distribution KFTDeveloper: Darklow SoftwarePlatform: SteamSee it on SteamCRSED: F.O.A.D is not only another Battle Royale game, it's also one of the best. Like Fortnite, it's free to play, but unlike the others it doesn't take itself too seriously. This game is based on the engine for the upcoming WW2 MMO enlistment and has a variety of hilarity and brilliant gameplay that we love. Smart mechanics and interesting securely do CRSED CRSED known as Cuisine Royale) interesting to play. For example, you can equip special slippers that help you jump high or winged shin pads that help you run fast, but wearing them hurts your stamina and means you can't run that long without getting tired. There are a number of different characters to choose from as well, with special abilities that really make things interesting. One of these characters can raise gun-toting zombies to help him, another can go invisible for a short time, another can dash off into the sky like Thor. All this and so much more makes CRSED incredibly fun. Type: Free Battle RoyaleWhat makes it interesting? Build mechanics, easily accessible gameplay and a great player basePublisher: Epic Games Developer: Epic Games Platform: EpicDownload from Epic goes almost without saying, but you can't really have a best game list without including Fortnite. It's one of the biggest game crazes that has swept all over the world. Fortnite may not be an EXCLUSIVE PC, nor is it necessarily the best game on PC, but it is very popular. Fortnite took the already beloved Battle Royale genre and blended in base-building, cartoon graphics and much more in addition to making the game appeal to a wider audience. It's technically free to play, but also regularly updated with new content that can be settled or purchased with a Battle Pass. There are optional purchases that offer cosmetics such as loading screens, banners, character emotes, different gliders and more. It's certainly not pay-to-win, but it's a lot of fun. Type: Free Battle RoyaleWhat makes it interesting? A more serious Battle Royale with cross-platform playPublisher: Bluehole/ Cocola GamesDeveloper: Bluehole / PUBG CorporationPlatform: SteamSee offers on FanaticalPlayerUnknown's Battlegrounds, AKA PUBG, is perhaps the game that kick-started the love of the Battle Royale genre of games and is now popping up in droves. It is far more serious than Fortnite and has no base building elements, but people love it. PUBGs start its life on PC and has since released on console and mobile as well. If you're serious about winning chicken dinners, this is the game to play. It's been updated a great deal since it was launched as well, so it's a lot of fun to have for new players and old alike.squirrel\_widget\_1752131Type: Open-world atmospheric RPG What makes it interesting? An incredibly rich history of cruel and exotic monsters, beautiful wenches and more besidesPublisher: CD PROJEKT REDDeveloper: CD PROJEKT REDPlatform: SteamSee it on SteamThe Witcher 3: Wild Hunt is quite possibly one of the best PC games of all time. It's been all about since 2015, but still playing fantastic. We have sunk around 150 hours into this wonderful RPG and loved every minute. The Witcher 3: Wild Hunt review: The best cast since SkyrimThe Witcher 3: Wild Hunt is an extraordinary achievement in game design, with a massive breathable world to get lost in. From killing monsters monsters The witch 3 lies with wenches, and has it all. Type: Open World action adventure RPGWhat makes it interesting? The ultimate hunting experience that can be played with friendsPublisher: CapcomPlatform: SteamSee offers at FanaticalMonster Hunter: World is one of the games that PC players had to wait for. It was released on the console in early 2018 and we loved it, but had to wait until August to get stuck on the PC. Monster Hunter World allows you to play the ultimate hunting experience either alone or with friends. The result of this is a brilliantly addictive and infinitely charming game we are sure you will love.squirrel\_widget\_1752151Type: Open-world realistic RPG What makes it interesting? An insanely difficult realistic combat system and plenty of missions to get stuck inPublisher: Deep SilverDeveloper: Warhorse StudiosPlatform: SteamSee offers at FanaticalKingdom Come: Deliverance is a wonderfully challenging, often frustrating, always pleasant open world RPG set in the Holy Roman Empire. You play Henry, a blacksmith's son who finds himself plunged into the chaos of war when his friends and family are slaughtered when a mercenary raid descends on his peaceful village. Henry then embarks on an adventure to help locals, fight bandits and help fight for the future of Bohemia.Kingdom Come: Deliverance is a brilliant RPG for those who love the idea of RPG setting in the Middle Ages. But don't expect to win every battle that you need to learn to fight first and to earn enough money for good weapons, armor and a decent horse. After all, you are just a blacksmith, so being surrounded by knights in heavy armor often results in a painful and messy death. We love this game and all the challenges it throws at us. PC players will also enjoy the fact that this game is challenging for the system. Try running it on ultra settings and you'll be warned that these visuals are only intended for future hardware. It's like Crysis, but for the new age. Type: Open-world action-adventure RPG What makes it interesting? A massive map to explore and the most RPG-like elements ever seen in the seriesPublisher: UbisoftDeveloper: UbisoftPlatform: UplaySee offers at FanaticalAssassin's Creed: Valhalla is undeniably spectacular. We thought Origins and Odyssey were great, but Valhalla is something new and refreshing. Now we are in the boots of a Viking warrior on the coast of ancient England wreaking havoc. It's a fantastic outing in the series, with a reworked skill system and amazing RPG elements that make it incredibly enjoyable for hours. A highlight is the ability to call your fellow Vikings in to help you loot nearby monasteries and enemy bases to find resources to build your own as well. Type: Action-adventure RPG What makes it interesting? A fantastic excursion in the Mad Max universe with pleasant battle and car-based funPublisher: Warner Bros. Interactive EntertainmentDeveloper: Avalanche SteamSee offers offers FanaticalMad Max comes on now, but it's great because it means it's regularly on sale for almost nothing. It's a cracking game with hand-to-hand battle that feels like Batman games from Rocksteady Studios, just more fierce and brutal. Mad Max first look review: Vast and furiousIt's a massively open world adventure set in the post-apocalyptic Mad Max universe with a dash of both character and car RPG-like progression. Upgrade equipment, weapons and vehicles to tear up the landscape. Hours and hours of fun. Type: Action RPG What makes it interesting? The best Diablo type of game out there? Plus it's free? Publisher: Grinding Gear GamesDeveloper: Grinding Gear GamesPlatform: SteamDownload it from SteamPath of Exile is one of those games that was great when it was first released and has continued to improve ever since. It's an Action RPG set in a dark fantasy world with great emphasis on visceral combat, deep character customization and good, old-fashioned fun. This is the game is also not only free to play, but also supports singleplayer, multiplayer and co-op gameplay as well. Type: Interactive video adventureWhat makes it interesting? A wonderfully told piece of game goodness. Publisher: Branching Narrative LtdDeveloper: Branching Narrative LtdPlatform: SteamDownload it from SteamDeathtrap Dungeon is certainly a break from the norm. This is an interactive video adventure based on Ian Livingstone's game book. It is told by Eddie Marsan and co-op like he reads you a bedtime story, but with a selection of how the game plays out. It's wonderfully entertaining and fascinating too. Five hours of video and an amazing story make this a bargain for the price. squirrel\_widget\_193446Doom has finally made it to Earth, and the planet is rife with all sorts of demonic horrors that need murder. It's your mission to boss. We've smashed, torn and dashed our way through Doom Eternal and found it to be a whole lot of frantic fun. You know what you get with Doom and the latest outing is a highly polished, visceral thrill-ride of demon-killing chaos. If you like to play your shooters at full-tilt then Doom Eternal is a perfect choice. It's intense, fun and so satisfying too. But not for the young. Call of Duty Modern Warfare gets a new outing and goes back to its roots. This time it's a gripping single-player campaign, cooperative gaming and, of course, multiplayer mode. Infinity Ward has really pulled out all the stops with this in our minds. It feels very much like the original Modern Warfare did back in 2007. Less jetsacks, much more serious stealth action. Fans of the older Call of Duty games will enjoy this for sure. When you're done with your campaign, there are multiple levels of collaboration to play and a rejuvenated multiplayer experience that includes a 64-player mode called Ground War. squirrel\_widget\_1752121Type: Apocalyptic FPSWhat makes it interesting? Brilliantly history-led post-apocalyptic with amazing graphics and Mad Max feelPublisher: Deep Silver / Koch GamesDeveloper: 4A GamesPlatform: Epic See offers on CD KeySee official website / Epic StoreMetro Exodus is the third outing in the series and another return to brilliance from 4A Games. You take on the role of Artyom who is desperately looking for signs of life beyond the irradiated and desolate ruins of Moscow. Fights to survive against the harsh climate and a wealth of villains that include everything from bandits, to winged animals, warning mutts and poison sniffing spiders. Metro Exodus review: Everyone aboard the superb single-player shooterThere is a real sense of misery and hard times here as you are constantly forced to fly for ammunition, equipment and supplies to keep weapons firing or pursuing through the shadows carefully avoiding death. Later, a serious Mad Max vibe edge into the game too, and we can't say much more without ruining it, but we loved it. If you liked the previous games, this is bound to be a bit as well. And on PC, it looks amazing. squirrel\_widget\_1752201Type: Team-based tactical shooterWhat makes it interesting? Class-based cooperative action with intense close-upsPublisher: UbisoftDeveloper: Ubisoft MontrealPlatform: UplaySee offers on FanaticalTom Clancy's Rainbow Six Siege originally appeared on stage in 2014. But it is by no means an old game as it is constantly updated, reworked and updated with new content, characters and maps. This game is essentially an online tactical shooter that pits a small team of players against another. These teams are divided into attackers and defenders who have different goals - defend/defuse the bomb, hold on or rescue the hostage or simply eliminate the other team. Each operator in the game has a different style of play with weapons and gadgets to help them complete the mission. What happens in the game will depend greatly on which characters are played, so there is plenty of variety, and a lot of fun as well. Tom Clancy's Rainbow Six Siege can also be purchased as a base game for a very reasonable sum - so you can work your way through the main operators, or you can pay for the full editions and access even more. Developed by a small independent team, made in Unreal Engine 4 and built with a focus on realistic gameplay, Hell Let Loose is another WW2 game full of promise. This game reminds us of Post Scriptum and certainly acts as a full-on tactical militer simulator. Although hell Let Loose is currently in early access, it is certainly well worth watching. If you are a fan of more serious military sim-style shooters (like ARMA or Squad) then this will certainly tick your boxes. There's a lot of bumping around the map, random team killings and frustrating moments where you have no idea who killed you, but it's also a lot of fun to be had, especially when playing with friends. Teamwork is the key not only to your team winning, but also to your enjoyment. Get players together and jump in a tank - with a careful drive, a manning the main gun and a commanding one, and you will soon smash your way through enemy lines. You'll also find how tough the WW2 fights were where, when it takes an age to turn the gun head or you can barely see a thing through the little vision openings in front. squirrel\_widget\_1752211Type: Team-based multiplayer FPS What makes it interesting? Online-only multiplayer with a class-based system and brilliantly colorful visual physics: Blizzard EntertainmentDeveloper: Blizzard EntertainmentPlatform: BattlenetSee it on BattlenetOverwatch is essentially an online-only first-person shooter-slash-brawler with colorful, cartoon graphics and hugely enjoyable gameplay. Overwatch review: Available, addictive and terribly good funIt's a popular eSports game, but great for casual players too. We thought it was absolutely brilliant when we reviewed it in 2016, and it continues to bring joy to the masses even now. Overwatch is almost certainly another game design triumph from Blizzard and well worth playing. Type: Team-based multiplayer FPS What makes it interesting? Hero classes, slow gameplay, but fast TTK and a lot of fun. Publisher: Riot GamesDeveloper: Riot GamesSee the official siteValorant feels like an interesting cross between CS:Go and Overwatch. A competitive shooter who throws two small teams at each other. Hero classes have their own special abilities and can make or break the game depending on how they are used. Valorant isn't exactly fast-paced, but it's hard to master, just like the other competing shooters out there. It's also a lot of fun, and it's free too - which is the best price for anything.squirrel\_widget\_1752221Type: Bullet-time FPS What's interesting? Amazing use of bullet-time and time-manipulation gaming mechanic. SUPERHOT TeamDeveloper: SUPERHOT TeamPlatform: SteamSee offers at FanaticalSuperhot is a brilliantly designed first-person shooter that moves only when you move. This makes for some really interesting game mechanics and thoroughly immersive gameplay. This is certainly a FPS that requires some thought while playing. You have to suit out the situation every time you spawn, but even turn around moving time forward and bringing on the horde of enemies hell-bent on killing you. Superhot is amazing and it's even better in VR. Type: Free team-based tactical shooterWhat makes it interesting? Twitch shooting with a lack of aim down sight gun mechanicPublisher: ValveDeveloper: Valve / Hidden Path EntertainmentPlatform: SteamDownload it on SteamCS: GO is serious business. This is the latest outing in the Counter-Strike series - a franchise that has always been synonymous with competitive FPS gaming. It's a popular eSports game and highly thought of as well. If you love team-based shooters, this is it for you. It's also completely free now, so what's not to love? squirrel\_widget\_1752231Type: WW2 based shooterWhat makes it interesting? Destruction mechanics, lots of vehicles and weapons to play with and a variety of gamemodes alsoPublisher: EADeveloper: DICEPlatform: OriginBuy it on OriginAfter Call of Duty returns to its roots and revisited World of War II, Battlefield followed suit. Battlefield V review: A State of the Art World War II shooterThere were mixed feelings in the community, but there is no denying that Battlefield 5 is amazing and has many improvements that make it an interesting option for fans of the series or online shooters in general. If you want to try before you buy, there's always the possibility of an Origin Access subscription that lets you buy a broad collection of games for a small monthly fee. squirrel\_widget\_1752241Type: Online-only FPS What makes it interesting? Quest-based gameplay that can be enjoyed with friends across a variety of incredible locationsPublisher: Blizzard EntertainmentDeveloper: ActivisionPlatform: BattlenetSee it on BattlenetDestiny 2 is thought of by many as a very nice game indeed. A captivating story certainly makes it a better game than the first. It is also incredibly well designed as it is as easy for new players to get into as hardcore PC players. It's pretty easy to get lost in the missions and raids in Destiny 2, and once you start playing this game, you'll wonder when all the hours went. Destiny 2 is almost certainly best satisfied with friends, but you can play on your own as well. Type: Team-based tactical shooterWhat makes it interesting? Modern battle with old-fashioned FPS feelPublisher: Unknown Worlds EntertainmentDeveloper: Unknown Worlds EntertainmentPlatform: SteamSee it on SteamAnother open world survival game to add to your list. Only this time it's put underwater on an alien planet. Explore the depths of the oceans, create new gear, root around submarines and enjoy the wondrous sights as you try to survive. Not Funniest? What about the base building under the sea? Free VR support for both the Oculus Rift and HTC Vive? squirrel\_widget\_1752251Type: Open world zombie survivalWhat makes it interesting? Parkour motion system, co-op gameplay and awesome weapon makingPublisher: Techland PublishingDeveloper: Techland Platform: SteamSee offers on FanaticalDying Light is an absolute gem of a zombie survival game originally released in 2015. It's been the gift that gives since then through, with regular free updates of more content and good times. There's a lot to love about Dying Light - it's an open survival game that pits you against all sorts of zombie threats. But this isn't your average shooter as it has a stunning parkour mechanics that sees you run and jump over rooftops, scrambling up buildings and dashing across the sprawling landscape to stay alive. Dying Light review: Breathe new life into zombie gamesKast is a craft system that allows you to create amazing weapons, including attaching batteries, acid and more to knives, machetes, baseball and other evil death dealers, and you're going to have to have a very good time. Dying Light is also best liked with friends in co-op mode, and we haven't had any end to fun this way. Type: Sci-Fi action adventureWhat makes it interesting? Remedy's amazing storytelling and brilliant physics gameplayPublisher: 505 GamesDeveloper: Remedy StudiosSee it on SteamWe've always been big fans of the games from Remedy Entertainment and Control continuing the trend with complete classics from that studio. This is a brilliant sci-fi action game with a strong lead, amazing gameplay, excellent excellent and many really wild things. Weird sci-fi happenings, destructive environments and telekinetic forces make the game exciting, but for us it's the atmosphere that the graphics, history and sound create. Control is a work of art. squirrel\_widget\_1752271Type: Wild west action adventureWhat makes it interesting? The last game never came to PC, but in the end we can enjoy another Rockstar masterpiecePublisher: Rockstar GamesDeveloper: Rockstar GamesPlatform: SteamSee offers at FanaticalRed Dead Redemption 2 is a masterpiece of a game. It's a beautiful, epic western that's been waiting a long time, but Red Dead Redemption 2 is finally here. It has a lot to offer and improve on too - with great improvements and a ton of new content. Shadow of the Tomb Raider review: Stealthy finale for Lara Croft trilogy On PC, Shadow of the Tomb Raider is and we have made a lot of use of the brilliant and fun photo mode that we have played so well. Because even Lara Croft is a fan of selfies apparently. Type: Sci-fi action adventure with time manipulationWhat makes it interesting? Brilliant time manipulation gameplay mechanics with masterpiece cinematic Publisher: Microsoft StudiosDeveloper: Remedy EntertainmentPlatform: SteamSee offers on FanaticaWe thoroughly liked Quantum Break which came as no surprise as we've pretty much loved everything Remedy Entertainment does. Alan Wake, Max Payne, Control, the list goes on. Quantum Break may be older than other games on this list, but it's still worth a look. Another cinematic masterpiece described as part-play, share live action shows - but don't worry that it's not one of those terrible games that is more movie sequences than fun. It's just a brilliant set of time manipulation, gun games and good times. squirrel\_widget\_1752301Type: Open World action adventureWhat makes it interesting? Another amazing GTA adventure with endless online fun availablePublisher: Rockstar GamesDeveloper: Rockstar NorthPlatform: SteamSee offers at FanaticalWith Grand Theft Auto V, Rockstar continued the trend of creating amazing open world action with amazing graphics, a brilliant story, engaging characters and much more besides. Of course, we PC players had to wait for the game to be released, as Rockstar also continued the trend of serving the console first, but it was worth the wait. With a brand new first-person mode and a massive, ever-growing online mode too, gta v is a real treat. Grand Theft Auto V review: Bona fide thrill ride great swathe of regular updates and content to GTA Online, ensuring that GTA V is the gift that keeps giving and no doubt will continue to do so. Type: Psychological action adventureWhat makes it interesting? An incredibly atmospheric experience with haunting visions of madnessPublisher: Ninja TheoryDeveloper: Ninja TheoryPlatform: SteamSee it on SteamHellblade: Senua's Sacrifice is a critically acclaimed masterpiece that plays out a wonderful story with an atmospheric journey into mental illness and psychosis. Set in the Viking Age, it puts you in the shoes of Senua, a broken Celtic warrior who is on a journey into hell to save the soul of his beloved. If you like exciting, atmospheric and dizzyingly beautiful action adventures, then you'll love this one. We thought it was completely exalted. If it wasn't good enough to be so good, it's also recently been updated with VR support for - meaning you can play the game on both the Oculus Rift and the HTC Vive. Type: Single-player stealth What makes it interesting? Sandbox assassination with many choices about how to play and a lot of replayabilityPublisher: Warner Bros Interactive EntertainmentDeveloper: IO Interactive Platform: SteamSee offers on FanaticaWe have always been big fans of the Hitman series. Stealth, murder and really good times abound in Hitman 2. This game has lots massive maps and a variety of ways to complete your missions, which means that a playthrough is never the same as the next one. Hitman 2 review: A completely sublime stealth gameHitman 2 can be challenging, frustrating and utterly gratifying. We love perfecting an assassination to leave traces and make the target's death seem like a freak accident. But if all else fails, it's always the suitcase. squirrel\_widget\_1752311Type: Single-player first-person stealth action adventureWhat makes it interesting? A rich history of amazing game-changing powers to explorePublisher: Bethesda SoftworksDeveloper: Arkane StudiosPlatform: SteamSee offers at FanaticalDishonored 2 is the second game in the award-winning series of Arkane Studios. A fantastic first-person stealth game that allows you to choose to play as either Empress Emily Kaldwin or the royal patron, Corvo Attano. Supernatural murder fun outdoors, with a brilliantly brutal battle system and a variety of amazing powers to choose from. Dishonored 2 review: One of the finest stealth games ever madeWe thoroughly dishonored 2 when we played it back in 2016, and it's still amazing now. When you're stuck in, you'll soon fall in love. Once you've completed it, you have the opportunity to replay or invest in the standalone follow-up Death of the Outsider.squirrel\_widget\_1752321Type: Single-player first-person action adventureWhat makes it interesting? A brilliantly told story backed by a phenomenal cast of characters, a gripping story and a ton of replayabilityPublisher: Square EnixDeveloper: Eidos-Montréal / Crystal DynamicsPlatform: SteamSee it on SteamShadow of the Tomb Raider is the final part of Lara Croft's origin story. We also thought it was the best so far. As you would expect, it is bigger and better than her previous two outings. It has a more in-depth and immersive history and absolutely no shortage of graves to raid and explore. Shadow of the Tomb Raider review: Stealthy finale for Lara Croft trilogy On PC, Shadow of the Tomb Raider is and we have made a lot of use of the brilliant and fun photo mode that we have played so well. Because even Lara Croft is a fan of selfies apparently. Type: Sci-fi action adventure with time manipulationWhat makes it interesting? Brilliant time manipulation gameplay mechanics with masterpiece cinematic Publisher: Microsoft StudiosDeveloper: Remedy EntertainmentPlatform: SteamSee offers on FanaticaWe thoroughly liked Quantum Break which came as no surprise as we've pretty much loved everything Remedy Entertainment does. Hitman 2 review: A completely sublime stealth gameHitman 2 can be challenging, frustrating and utterly gratifying. We love perfecting an assassination to leave traces and make the target's death seem like a freak accident. But if all else fails, it's always the suitcase. squirrel\_widget\_1752341Type: Co-op physics puzzleWhat makes it interesting? Fun physics game with cheerful and fun with friendsPublisher: Curve DigitalDeveloper: No Brakes GamesPlatform: SteamSee it on FanaticalHuman: Flat Fall is something special. At its core it's a quirky puzzle platformer, but it's much more than that. This is a fun physics game with cheerful graphics and a simple but interesting premise. Playing this game, your goal is to find the exit to each of the weird and wonderful levels by solving puzzles in a variety of different ways while trying not to push up on the subsequent hallway. Playing with friends is highly recommended here, as it is even more fun with the company. squirrel\_widget\_1752351Type: Free sci-fi MMOWhat makes it interesting? An MMO set in the Star Trek universe where you can pilot your own ships and explore new worldsPublisher: Perfect World EntertainmentDeveloper: Cryptic StudiosPlatform: SteamSee it on SteamStar Trek Online is a popular MMO that lets players command their own starship and boldly go where no one has gone before. Take part in massive space battles, explore new worlds, fight for different races. There are many game options here. Star Trek Online has seen a bunch of updates since it first launched in 2010 and continues to be popular with fans. The latest add-on includes content from the Netflix series Starrek Discovery as well. Type: Pirating MMOWhat makes it interesting? An action adventure MMO put on the ocean with lots of log, cannon-based battles and sea shanties Publisher: Perfect World EntertainmentDeveloper: Microsoft StudiosPlatform: Windows Store / SteamSee it on Microsoft / See it on SteamSea of Thieves may not be for everyone, but it certainly has a lot to go for it. Put on your pirate hat and sail on the sea in search of treasures, good and really good times. It's a lot of fun to be had if you can find it - fighting it out with swashbuckling skeletons, fighting it out with other pirate players or just ramming your ship into someone else's in an attempt to board and steal all its loot. Sea of Thieves review: Fantastic team games disappointed by boring puzzlesThe game has had a great deal of new content added since it was first launched, so it's now well worth considering. Even funnier can be had if you have some pirating happy friends you can play with.squirrel\_widget\_1752361Type: MMOWhat makes it interesting? The most famous MMO around? Publisher: Blizzard EntertainmentDeveloper: Blizzard EntertainmentPlatform: BattlenetSee on BattlenetWorld of Warcraft is perhaps the most famous MMOs of all time. Many a PC player has sunk a number of hours into this game and have stories to tell because of it. WoW is also one of the best-selling PC games of all time, and despite being released in 2004, it is still very much alive and kicking. The game gets a reboot in the form of the World of Warcraft Classic at some point, but in the meantime you can try the game for free. Type: MMOWhat makes it interesting? There is no dedicated healing class that is quite unusual for this by gamePublisher: NCSoftDeveloper: ArenaNetSee the official websiteGuild Wars 2 is an online MMO with fast-paced battle and a rich and a detailed universe to explore. It's packed with terrifying beautiful landscapes to adventure in, as well as challenging PVP modes. Unlike other MMOs, Guild Wars 2 has no subscription fees, it's also free to play. Guild Wars 2 allows a player to create a character from five different races and eight different professions, these characteristics also determine the skills players can access as well as their experience. Both children and adults. You can play as SpongeBob as well as Patrick, Sandy and more. The platformer is tough, but there's a lot to love about this game if you like that kind of thing. Type: Comedy action / adventureWhat makes it interesting? All hilarity by Rick and Morty, but in game form with lots of profanity and chaosPublisher: Squanch Games, Inc. Developer: Squanch Games, Inc. Platform: Steam See it on steamOfficial websiteThe graphics, styling and sound of this game looks familiar, it's because it comes from the co-creator of Rick and Morty. Trevor Saves the Universe is an action adventure game that is compatible with both standard desktop and virtual reality using the HTC Vive or Oculus Rift. As you might expect, this game includes incredible amounts of space-based weirdness, vulgar language and strange and wonderful hilarity. It's probably the most bonkers action adventure game you're probably coming across, but it's a total blast if you're a fan of humor by Rick and Morty. It only takes around six hours to complete, but then you don't pay the price of a triple-A game and with lots of characters to talk to, power babies (upgrade boosters) to collect and clog villains to crush it's a lot of fun to be had. We found Trevor Saves the Universe to be a refreshing change from the norm. It's also certainly a challenge, whether getting stuck trying to suss out the various puzzles or just trying to get along while characters inanely ramble on you with unnecessary insight into their lives. It's enough to keep you engaged. squirrel\_widget\_1752371Type: Open World superhero action adventureWhat makes it interesting? You play like Batman, what else do you need? Publisher: Warner Bros Interactive EntertainmentDeveloper: Rocksteady StudiosPlatform: SteamSee offers on FanaticaThe very best of the Batman games and a real looker too, Batman: Arkham Knight is the last game in the trilogy, and it's amazing. Batman Arkham Knight review: Best of the Bat YetScarecrow has returned to wreak havoc on the town of Gotham, and it's Batman's job to stop him and his cronies. With an upgraded Batmobile, as well as improvements to combat, stealth, forensic and navigation this Batman game has it all. squirrel\_widget\_1752391Type: Action adventureWhat makes it interesting? Fun physics game with cheerful and fun with friendsPublisher: Curve DigitalDeveloper: No Brakes GamesPlatform: SteamSee it on FanaticalHuman: Flat Fall is something special. At its core it's a quirky puzzle platformer, but it's much more than that. This is a fun physics game with cheerful graphics and a simple but interesting premise. Playing this game, your goal is to find the exit to each of the weird and wonderful levels by solving puzzles in a variety of different ways while trying not to push up on the subsequent hallway. Playing with friends is highly recommended here, as it is even more fun with the company. squirrel\_widget\_1752351Type: Free sci-fi MMOWhat makes it interesting? An MMO set in the Star Trek universe where you can pilot your own ships and explore new worldsPublisher: Perfect World EntertainmentDeveloper: Cryptic StudiosPlatform: SteamSee it on SteamStar Trek Online is a popular MMO that lets players command their own starship and boldly go where no one has gone before. Take part in massive space battles, explore new worlds, fight for different races. There are many game options here. Star Trek Online has seen a bunch of updates since it first launched in 2010 and continues to be popular with fans. The latest add-on includes content from the Netflix series Starrek Discovery as well. Type: Pirating MMOWhat makes it interesting? An action adventure MMO put on the ocean with lots of log, cannon-based battles and sea shanties Publisher: Perfect World EntertainmentDeveloper: Microsoft StudiosPlatform: Windows Store / SteamSee it on Microsoft / See it on SteamSea of Thieves may not be for everyone, but it certainly has a lot to go for it. Put on your pirate hat and sail on the sea in search of treasures, good and really good times. It's a lot of fun to be had if you can find it - fighting it out with swashbuckling skeletons, fighting it out with other pirate players or just ramming your ship into someone else's in an attempt to board and steal all its loot. Sea of Thieves review: Fantastic team games disappointed by boring puzzlesThe game has had a great deal of new content added since it was first launched, so it's now well worth considering. Even funnier can be had if you have some pirating happy friends you can play with.squirrel\_widget\_1752361Type: MMOWhat makes it interesting? The most famous MMO around? Publisher: Blizzard EntertainmentDeveloper: Blizzard EntertainmentPlatform: BattlenetSee on BattlenetWorld of Warcraft is perhaps the most famous MMOs of all time. Many a PC player has sunk a number of hours into this game and have stories to tell because of it. WoW is also one of the best-selling PC games of all time, and despite being released in 2004, it is still very much alive and kicking. The game gets a reboot in the form of the World of Warcraft Classic at some point, but in the meantime you can try the game for free. Type: MMOWhat makes it interesting? There is no dedicated healing class that is quite unusual for this by gamePublisher: NCSoftDeveloper: ArenaNetSee the official websiteGuild Wars 2 is an online MMO with fast-paced battle and a rich and a detailed universe to explore. It's packed with terrifying beautiful landscapes to adventure in, as well as challenging PVP modes. Unlike other MMOs, Guild Wars 2 has no subscription fees, it's also free to play. Guild Wars 2 allows a player to create a character from five different races and eight different professions, these characteristics also determine the skills players can access as well as their experience. Both children and adults. You can play as SpongeBob as well as Patrick, Sandy and more. The platformer is tough, but there's a lot to love about this game if you like that kind of thing. Type: Comedy action / adventureWhat makes it interesting? All hilarity by Rick and Morty, but in game form with lots of profanity and chaosPublisher: Squanch Games, Inc. Developer: Squanch Games, Inc. Platform: Steam See it on steamOfficial websiteThe graphics, styling and sound of this game looks familiar, it's because it comes from the co-creator of Rick and Morty. Trevor Saves the Universe is an action adventure game that is compatible with both standard desktop and virtual reality using the HTC Vive or Oculus Rift. As you might expect, this game includes incredible amounts of space-based weirdness, vulgar language and strange and wonderful hilarity. It's probably the most bonkers action adventure game you're probably coming across, but it's a total blast if you're a fan of humor by Rick and Morty. It only takes around six hours to complete, but then you don't pay the price of a triple-A game and with lots of characters to talk to, power babies (upgrade boosters) to collect and clog villains to crush it's a lot of fun to be had. We found Trevor Saves the Universe to be a refreshing change from the norm. It's also certainly a challenge, whether getting stuck trying to suss out the various puzzles or just trying to get along while characters inanely ramble on you with unnecessary insight into their lives. It's enough to keep you engaged. squirrel\_widget\_1752371Type: Open World superhero action adventureWhat makes it interesting? You play like Batman, what else do you need? good. Especially if you love the idea of Nikola Tesla as a mad scientist unleashing hell on Earth. We thoroughly enjoyed The Invisible Hours which had a similar alternative universe vibe to it and Close to the sun is similar, just a little more bonkers. squirrel\_widget\_175238Type: Rally / racing simWhat makes it interesting? Off-road racing with authentic racing mechanics and incredibly fun carsPublisher: CodemastersDeveloper: Codemasters Racing StudioPlatform: SteamSee it on SteamDIRT Rally is back with another heart-pounding, edge-of-your-seat racing sim. DIRT Rally 2.0 offers a selection of iconic rally locations, with some of the most powerful off-road vehicles ever made available for races. We loved the original DiRT rally and this new game is just as amazing. It's a more immersive experience this time too with authentic handling, real-world locations and an intense driving experience that you'll love. With over 50 cars available to tune, drive and drive, the DiRT Rally 2.0 is an explosion. VR support is coming too soon. squirrel\_widget\_175239Type: Racing/driving sim with VR supportWhat makes it interesting? Over 180 cars to drive on a variety of surfaces with dynamic surface and weather effectsPublisher: Bandai NamcoDeveloper: A little Mad StudiosPlatform: SteamSee it on FanaticalIf you're a committed motorsport enthusiast, Project Cars 2 is almost certainly a must-buy. It's bustling with cars, tracks and really great designs that include dynamic surface and weather effects resulting in an exciting driving experience. Project Cars 2 review: A must-buy for hardcore racing fansProject Cars 2 has 180 cars and more to play with. It also boasts VR support for Oculus Rift, HTC Vive and Windows Mixed Reality headphones and the ability to support up to 12K graphics as well. Fantastic amazing. Type: Racing What makes it interesting? Tear up the British countryside in all sorts of cars with amazing progression and all sorts of race typesPublisher: Xbox Game StudiosDeveloper: Playground GamesPlatform: Xbox storeSee it on XboxIt's a lot of fun to be had in Forza Horizon 4. Not only is it beautiful, it is also packed with cars, all sorts of different breeds, progression trees and much more as well. We also like how forgiving this game is. It's kind of incredibly satisfying to smash your way through fences, bushes, road signs and more. Tear across the landscape, slip and slide and just have lots of fun. squirrel\_widget\_175240Type: WW2 military RTSWhat makes it interesting? A fantastic military RTS with a variety of powers to play withPublisher: SEGADeveloper: Relic EntertainmentPlatform: SteamSee it on FanaticalCompany of Heroes 2 may come on this year, but it's still one of our favorite RTS games. This is a brilliant military real-time strategy game with a lot of fun to be had. Play alone or with friends against robots or real opponents, using a variety of armies on various Hire your favorite commanders and attack forces and push you to victory. We'll add this list in the future, so let us know in the comments some of your favorites we may have missed. squirrel\_widget\_175241Type: Fantasy RTSWhat makes it interesting? Turn-based fun in the Warhammer universe from the masterful Total War seriesPublisher: SEGADeveloper: Creative AssemblyPlatform: SteamSee it at FanaticalTotal War is a name synonymous with incredible RTS games. This is a franchise with some serious muscles. Throw in some Warhammer myth and magic, epic real-time battles and worldwide conquest, and you have some seriously good gameplay. If you're a fan of RTS games but haven't yet dipped your toe in the Total War series, this may well be the place to start. Type: Team-based first-person shooterWhat makes it interesting? Insanely hard collaboration gamePublisher: 10 Chambers CollectiveDeveloper: 10 Chambers CollectivePlatform: SteamSee it on SteamGTFO is cast as a hardcore first-person shooter stealth horror game. The main takeaway from it is the word hardcore as this game is insanely difficult. It is designed to be played with friends in a four-man team with close communication, careful planning and a lot of stealth. Playing in any other way will get you beaten over and over again. The idea is simple enough, you play four prisoners sent into the depths to complete the goal while surviving against some pretty nasty creatures. It's dark down there, and the monsters react to light and sound. Make too much racket and all hell breaks loose. As it inevitably does regularly, even if you are careful. We didn't find going away scary, but it's incredibly tough. So if you're the kind of person who likes a hardcore challenge, then this is for you. There is also early access and will no doubt see many updates in the near future that make it even better. Type: Third-person shooter/co-op zombie shooterWhat makes it interesting? Masses of character adaptation and leveling systems. Uber fast movement zombie hordes. Publisher: MadDog Games and Focus Home InteractiveDeveloper: Saber InteractivePlatform: Epic See it on Epic GamesWorld War Z is a third-person shooter based on the film of the same name. It's a four-player cooperative game that pits you and your friends against massive merciless swarms of carnivorous zombies. This game also allows you to explore stories and characters from all over the world – with levels set in New York, Moscow and Jerusalem. But the fun comes in the form of tireless fast hordes of the undead. In addition to an advanced gore and dismemberment system that is actually incredibly satisfying when you cut down the waves of brain-nommsers with your friends. Unique character classes and the ability to play with your friends make World War I an explosion. It's hard not to compare it to Left 4 Dead, but there's no bad thing as it was a fantastic zombie shooter series as well. If you kill the undead Enough, there is also a multiplayer mode to fight it out against other players online. squirrel\_widget\_175242Type: First-person co-op shooterWhat makes it interesting? Blasting Nazis with your friend while playing as BJ Blazkowicz's twin daughters. Publisher: Bethesda SoftworksDeveloper: Machine Games, Arkane StudiosPlatform: SteamSee it on SteamMer shine from the Wolfenstein series, this time with full-on co-op gaming glory in Nazi-infested 1980. You play as one of BJ Blazkowicz's twin daughters, kick Nazi bottoms and take names. This time, the action takes place in Nazi-occupied Paris. All the usual over-the-top Nazi weapons, machines and more make an appearance, and there's plenty of violence too. Youngblood is certainly not the usual Wolfenstein outing. We get a distinct Destiny vibe from this one. There is a FPS with RPG elements. You visit various areas of Nazi-occupied Paris, complete missions and return to the base, only to go out again to the same area for another mission. It may feel a little scary at times, but upgrading your gear, weapons and skills allows you to find new ways to pound Nazis and open new areas of the individual places as you go. The highlight is absolute co-op mode. You don't even have to own the game – if one person has purchased the deluxe edition of the game, the other can play the whole thing for free in co-op mode. All they have to do is download the demo and get an invitation. Type: Multiplayer slasherWhat makes it interesting? A medieval setting with absolutely brutal and relentless combat systemsPublisher: TriternionDeveloper: TriternionPlatform: SteamSee it on SteamMORDHAU is utter madness, and that's why we love it. This is a first-person multiplayer slasher that inserts you into a fictional world on a bloody battlefield facing a lot of other players baying for your blood. Choose your character class, take your gear and go to war with a blood curing battle cry. Swing a long sword and lop of someone's noggin or batter their brains with a massive axe, the choice is yours. MORDHAU is absolutely punishing and you will die a lot, but there is a lot of fun too. It's hard not to make comparisons Chivalry: Medieval Warfare, but there's no bad thing as that game was also a lot of fun. Writing by Adrian Willings. Willing.
